Hi Cynthia,

OK, thanks for responding. Wasn't sure what this was in reference to.

I also asked during a press call why the owner of this mine wasn't cleaning it up (before the spill). Any chance there is information on that subject available?

Thanks,

Jessica Glenza

Hello, Jessica.

A couple of days after the Gold King Mine discharge, you emailed a request for information following an interview with an EPA employee. It was forwarded to several people, including me. I didn't have a chance to respond, and I wasn't sure if your questions had been answered by someone else. Although this is not timely for your original questions, I wanted you to know how you can access current information about the event.

Cynthia

Hello Cynthia,

Thanks for letting me know.

Is this in response to a specific request from me, or to media generally?

Thanks,

Jessica Glenza
